RECITALS

WHEREAS, the Parties hold PCS licenses to provide telecommunications services in certain MTAs; and

WHEREAS, the operation of the PCS systems will require the relocation of Incumbent microwave service providers who currently operate in such MTAs; and

WHEREAS, the FCC requires that the Incumbent microwave service providers be reimbursed for their relocation costs; and

WHEREAS, the FCC has not established procedures for the allocation of such costs among the PCS license holders who benefit from the relocation of Incumbent microwave service providers; and

WHEREAS, the Parties wish to establish procedures to provide for the sharing of such relocation costs in those markets where they are benefitted, all subject to whatever rules or regulations may later be adopted by the FCC or other regulatory bodies;

NOW, THEREFORE, in consideration of the mutual commitments made herein, the Parties hereby agree as follows:

DEFINITIONS

"Co-channel" shall mean any situation where a part of a licensed PCS block (2 * 15 or 2 * 5 MHz) overlaps any part of the decommissioned link's previously licensed operating band (2 * 10 MHz or 2 * 5 MHz).

"FBS" shall mean a Fixed Base Station which is a stationary transmission node used for the broadcast to and reception of communications with stationary (fixed) mobile or non-stationary mobile radio users.

"FCC" shall mean the Federal Communications Commission, or any successor entity.

"Incumbent" shall mean the owner of a license to provide microwave service through a Microwave Link or a Microwave Network.

"Microwave Link" shall mean a point-to-point radio path established for the transmission and reception of microwave-based communication signals, here limited to 800 MHz to 40,000 MHz terrestrial point-to-point line of communications. Each Microwave Link is comprised of two end nodes, each node containing equipment used to accomplish the successful transmission and/or reception of microwave radio emissions towards and/or from the other node.

"Microwave Network" shall mean a set of contiguous nodes and Microwave Links (without fiber links) that interconnect pairs of nodes. A Microwave Network may consist of as few as two nodes and a single link, or may consist of multiple, interconnected links and nodes.

"MTA" shall mean a Major Trading Area which is a geographic boundary based upon the flow of commerce as defined by Rand-McNally as of January 1, 1995.

"PCS" shall mean Personal Communications Service, a wireless and other ancillary 2-way communications service licensed by the FCC and provisioned in the 1850 MHz - 1990 MHz band.

"Stranger Link" shall mean a Microwave Link operating wholly outside of the licensed A and/or B PCS bands of the Parties hereto, operating within the 1850 MHz - 1990 MHz band.

TERMS OF AGREEMENT

1. Cost Sharing Situations. Subject to the limitations set forth below, each Party agrees to share the payments necessary to relocate the Microwave Link of an Incumbent if:

- a. All or part of the Microwave Link is co-channel with the licensed A and/or B PCS band(s) of that Party and one or more other Parties;
- b. Another Party has paid the relocation costs of the Incumbent; and
- c. That Party turns on an FBS at commercial power and the FBS is located within a rectangle described as follows:

The length of the rectangle shall be x where x is a line extending through both nodes of the Microwave Link to a distance of 30 miles beyond each node.

The width of the rectangle shall be y where y is a line perpendicular to x and extending for a distance of 15 miles on both sides of x .

If the requirements of a, b, and c above have been met for one Microwave Link in a Microwave Network, a Party will incur cost sharing obligations pursuant to this Agreement for the entire Microwave Network (being moved as part of a single agreement), except that no obligation will exist for any Microwave Link where both nodes of that Microwave Link lie more than 50 miles beyond the boundaries of the MTA where the requirements of a, b and c were met.

2. Negotiations With Incumbent. Negotiations with an Incumbent may be conducted by any or all Parties (or their agents) who hold PCS licenses affected as described in Section 1.a. or 1.b. above. This Agreement does not cover joint simultaneous negotiations between an Incumbent and more than one Party, which negotiations shall not be requested by a Party, and shall not be held by any of the Parties unless requested by an Incumbent.

Unless requested by an Incumbent to do so, no Party shall inform any other Party that it is engaged in negotiations regarding relocation with an Incumbent, until after a binding written agreement providing for relocation is executed by the Party and the Incumbent.

3. Anti Fraud. In order to be eligible for cost sharing pursuant to this Agreement, costs must have been incurred in performance of a written agreement with an Incumbent, which agreement shall contain representations and warranties that the Incumbent has not already recovered costs for relocation of the Microwave Links in question, shall in the future not seek recovery of such duplicative costs, and will inform PCS license holders seeking relocation of such Microwave Links that relocation has already been arranged.

4. Shared Costs. Relocation costs that will be shared by the affected Parties shall consist of all payments actually made by a Party to an Incumbent, or to vendors or contractors providing goods or services which represent a direct cost of relocating the Incumbent's Microwave Link(s), in connection with relocation of an Incumbent's Microwave Link(s) as described in Section 1 above, including but not limited to the costs set forth in Exhibit 1 hereto. Such costs shall not include payments made to a representative of a Party acting on behalf of the Party to negotiate or otherwise arrange relocation.

If an affiliate with 30 percent or more common ownership of any Party seeking cost sharing provides any item included in cost sharing as detailed above, then recovery of such affiliate expenses shall be had to the extent that the affiliate has provided the same products and services to third parties at the request of such parties at the same market prices for which recovery is sought herein. If an independent market price does not exist, then the recovery shall be based on the lowest price for sales of identical products or services to non-affiliates in situations not covered by this Agreement or to an actual cost plus 15 percent return on invested capital associated with such products and services.

5. Allocation of Shared Costs. The relocation costs shall be shared equally, unless otherwise provided herein, by all Parties who hold PCS licenses that are impacted as described in Section 1 above, provided that such costs are justified as set forth below in Section 7.

6. Relocation of Another Party's Link(s). Costs will not be shared equally in the event that a party relocates a Microwave Link that is not co-channel with its own licensed A or B band but which is co-channel with the licensed A or B band of another party (or "second party") to this Agreement if within one (1) year of the final payment to the Incumbent or actual decommissioning of the Microwave Link, whichever is later, this second party meets the requirements of Section 1 with regard to the Microwave Link which is co-channel with its licensed A or B band. In this circumstance, the second party will be responsible for 75% of the relocation costs for the Link which is co-channel with its licensed A or B band.

7. Justification of Shared Costs. Justification of costs to be shared pursuant to sections 4, 5, 6, 8 and 9 shall be made in the manner set forth in this section and no party shall be obligated to share such costs unless such justification has been made. Total costs paid or payable to an Incumbent for any given relocation shall be justified among the affected Parties on a per-link basis as follows:

a. Up to and including \$250,000. The Party making payment of such relocation costs and seeking sharing of such costs shall have the obligation to show that the payments were actually made to the Incumbent, or clearly for the benefit of the Incumbent and by agreement with the Incumbent, in connection with such relocation.

b. Over \$250,000. The Party making payment of such relocation costs and seeking sharing of such costs shall provide documentation showing that the costs were reasonably necessary and reflect actual costs of relocation spent by the Incumbent, or clearly for the benefit of the Incumbent and by Agreement with the Incumbent, for relocation. Any costs above \$250,000 that do not reasonably reflect actual costs of relocation, such as a premium to expedite early relocation, shall be the responsibility of the Party making the payment. The Party making the payment shall be responsible for obtaining backup documentation through its agreement with the Incumbent.

c. By way of example, if a Party pays \$300,000 to an Incumbent for relocation, \$200,000 of which is for actual relocation costs that are spent by the Incumbent, and \$100,000 of which is a premium to secure early relocation, then the Party who pays for the Incumbent relocation shall be entitled to reimbursement of \$125,000 of the \$250,000 from the other affected Party, and shall be solely responsible for the remaining \$50,000.

d. The Parties understand and agree that a Party seeking the sharing of costs for relocation of more than one Microwave Link within a single Microwave Network or more than one Microwave Link relocated pursuant to a single transaction or closely related transactions with a single Incumbent shall seek reimbursement using either the justification method described at Section 7.a or 7.b, but not both. If method 7.a is selected, the Party seeking reimbursement will not be reimbursed in an amount greater than \$125,000 per Microwave Link, or \$187,500 where Section 6 applies. If method 7.b is selected, the party seeking reimbursement shall provide documentation according to 7.b for all the Microwave Links in question whether or not the cost of relocating any individual link exceeds \$250,000.

e. Interest, cost of money and depreciation will not be taken into account in determining relocation costs for cost sharing purposes except as set forth in Section 15 below.

f. The expenses for long-term leases of facilities that replace Microwave Links (e.g., fiber transport) may be paid by the negotiating party on a monthly basis. Any financial commitments associated with such long-term contracts for alternative leased facilities shall be discounted on a net present value basis using the applicable Federal Rate as defined in the Internal Revenue Code and/or Regulations over a ten-year view period. The calculation must be based on the actual terms of the contract. The result of the net present value calculation becomes the amount that is subject to sharing under sections a. and b. above.

g. The cost of relocating a Microwave Link that operates outside of the 1850 MHz to 1990 MHz band width shall be treated as a premium as described in this section.

8. Common Support Facilities. Relocation costs incurred for common support facilities at a node where more than one (1) Microwave Link terminates will be allocated equally among the Links, including Stranger Links, terminating at that node.

9. Stranger Links. Notwithstanding any contrary portion of this Agreement, a Party to this Agreement which moves a Stranger Link shall be entitled to recover cost sharing in the following manner. The cost of relocating the Stranger Links shall be distributed evenly to each Non-Stranger Link and be treated as a cost of moving that link for purposes of this Agreement and shall not automatically be considered a premium. Justification of Stranger Link Costs shall be made in the same way as set forth above in Section 7. Applicable justification methods, as described in Section 7.a and 7.b above, will be determined based on cost levels before allocation.

10. Cost Sharing Calculation Methodology. Cost sharing amounts shall be calculated in the following order:

- a. A determination shall first be made as to whether amounts are properly reimbursable (i.e., actually spent, premium or non-premium pursuant to Section 7) and this amount will be calculated for each Link in question.
- b. The cost of common support facilities will then be allocated pursuant to Section 8 above.
- c. The cost of Stranger Links will then be allocated pursuant to Section 9 above.

Examples of Cost Sharing calculations are attached hereto as Exhibit 2. This Exhibit is part of the Agreement and in the event of a conflict between the terms of the main portion of the Agreement and the methodology used in Exhibit 2, the Exhibit 2 methodology shall control.

11. Reimbursement. In the event that any Party recovers additional funds intended as relocation cost sharing at a time after the original cost sharing contemplated by this Agreement has occurred, that Party will reimburse the entity or entities that previously shared costs for their proportionate share of the recovery. The net effect of this reimbursement will be, with the exception of the specific circumstances set forth in Sections 6 and 7, that at any given stage all Parties sharing in costs for a given link will have shared equally.

In the event that any Party receives funds intended as Microwave Link or Network relocation cost sharing before another Party or Parties pays cost sharing contemplated by this Agreement, the benefit of the funds received from the non-party will be shared on a proportionate basis with the affected Parties.

If an Incumbent challenges the adequacy of relocation facilities after cost sharing relating to those facilities has been requested and made pursuant to this Agreement, the Party that had received such payments will return the payments to the Party making them pending final resolution of the Incumbent's complaint at which time cost sharing may again be requested.

12. Notice of Relocation. To be eligible for cost sharing under this Agreement, a relocation must be made pursuant to an agreement with an Incumbent which includes a provision identifying a date by which the Incumbent shall have decommissioned its Microwave Link(s). Once the agreement with an Incumbent is executed, the party relocating the Incumbent will give notice to the other Parties of the relocation agreement identifying the Link(s) in question. This notice will be given one hundred eighty (180) days before the date identified in the agreement for decommissioning of the Incumbent's Link(s) or if the decommissioning is scheduled to occur in less than 180 days from the date of the agreement with the Incumbent immediately upon signing that agreement. Notice will be in the form attached hereto as Exhibit 3. The party relocating the Incumbent will also give notice to the other Parties within 30 days of the completion of the relocation. Notice will be in the form attached hereto as Exhibit 4.

13. Notice of Cost Sharing Responsibility. A Party shall within thirty (30) days of meeting the requirements set forth in Section 1 above give written notice to the Party which has previously paid the relocation costs of the Incumbent of the Microwave Link in question. The notice shall state that the conditions of Section 1 have been met and that the Party giving notice is now currently responsible for sharing of relocation costs. Each Party shall certify to all other Parties, during the last week of each business quarter, that the notifications required by this paragraph have been made and were complete and accurate. This certification shall include a listing of all Microwave Links for which the Party has acquired cost sharing responsibility during the quarter. Failure to make this certification or include a listing of each Link in question shall constitute a waiver of the right to contest the validity and calculation of a cost sharing request and this waiver shall include a waiver of any right not to pay a relocation premium. The waiving party will in other words pay its share of all relocation costs actually paid whether premium or not.

14. No Retroactivity. This Agreement shall not apply to, and shall not require, the sharing of any relocation costs incurred pursuant to any agreement signed prior to September 28, 1995.

15. Payment Schedule. The Parties shall invoice the appropriate Party or Parties for all cost sharing amounts for which a Party becomes responsible during a given calendar quarter within 30 days after the end of such calendar quarter. At the time of invoicing, documentation sufficient to justify the expenditures shall also be provided. The Parties may offset from each other any undisputed amounts owed for a given quarter, and shall make any net payment within thirty days after receipt of an invoice, to the extent that such charges are not disputed.

In the event that any charges are disputed, written notice as provided herein shall be provided within thirty days after receipt of the subject invoice, specifying each charge that is disputed and the reason(s) for rejection. Within thirty days after the end of each calendar year, the arbitration procedures provided below shall be instituted by the Party or Parties rejecting any request for reimbursement of any invoice received during the previous calendar year. Failure to initiate such arbitration procedure within the required time period shall constitute a waiver of all such claims, and payment shall be immediately due and payable. Any disputed or late paid amounts shall bear interest from the initial date due at the Citibank prime rate + 2%, compounded annually, if it is later determined that such charges are justified.

16. Term. The term of this Agreement shall be ten (10) years after the date of the Agreement stated above, unless extended in writing by the Parties.

17. Termination. A Party may terminate participation in this Agreement during the term of the Agreement two hundred seventy (270) days after written notice is provided to the other Parties.

Termination of the Agreement shall not affect any Party's obligation to share in relocation costs pursuant to any relocation agreement signed prior to the effective date of any termination.

18. Representations and Warranties. Each Party represents and warrants to the other Parties, which representations and warranties shall survive the execution of this Agreement and the consummation of the transactions herein contemplated, that:

- a. it has full power and authority to execute and perform this Agreement;
- b. the execution, delivery and performance of this Agreement has been duly authorized by all necessary action on the part of such Party and is binding and enforceable against such Party in accordance with its terms;
- c. the execution, delivery and performance of this Agreement by such Party does not violate any provision of law, will not, with or without the giving of notice or the passage of time, conflict with or result in a breach of any of the terms or conditions of, or constitute a default under, any indenture, mortgage, agreement or other instrument to which it is a party or by which it is bound where such conflict, breach or default would have a materially adverse effect upon its ability to enter into or perform its obligations under this Agreement;
- d. there are no actions, suits or proceedings pending against such Party, or to its knowledge threatened against such Party, which might have a materially adverse effect upon its ability to enter into or perform its obligations under this Agreement;

e. it is duly organized, validly existing, and in good standing under the laws of the jurisdiction of its formation.

19. Arbitration.

a. For reimbursement of costs. As provided above, any Party may institute arbitration procedures with regard to any request for payment that it believes is not justified under this Agreement. A copy of the notice initiating this procedure shall be sent to the following designated arbitration firm, or such other firm as is agreed upon in advance by all affected Parties:

JAMS / Endispute
700 11th Street N.W., Suite 450
Washington, D.C. 20001

The initial notice to the arbitrator shall include all documentation supporting the basis for rejecting the request for reimbursement, as well as a copy of this Agreement, and an explanation of the Party's position. Within thirty days thereafter, the other affected Party(ies) shall submit all documentation justifying their position and an explanation of their position. The arbitrator may obtain additional documentation from the Parties and/or retain an expert or experts to assist with resolving the dispute. Any arbitration hearing shall be limited to one day. The arbitrator shall render a decision within sixty days of the initial notice of arbitration. The Parties shall enter into such indemnification and other agreements as the arbitrator may reasonably request and shall otherwise cooperate fully with the arbitrator.

b. Other Disputes Related to the Agreement. Any other dispute related to this Agreement shall also be resolved by arbitration held through JAMS / Endispute, with the arbitration proceedings to be held in Washington, D.C. It is expressly agreed that if any portion(s) of this agreement is found unenforceable or invalid that the arbitration clause shall survive and that arbitration may include a claim of unjust enrichment of a Party.

c. General. For both arbitration procedures described above, any decision by the arbitrator shall be final and binding upon the involved Parties, without right of appeal, and may be entered as a judgment in any court having jurisdiction. The arbitrator shall require the Party(ies) who substantially lose to pay for the arbitrator's time and expenses, with each Party bearing its own costs and/or attorneys' fees.

20. Assignment. Each Party shall have the right, upon written notice to the other Parties, to assign this Agreement to an affiliate (an entity that it controls, is controlled by it, or is under common control with it), provided that such affiliate agrees in

writing to be bound by the terms of this Agreement, and provided that such assignment shall not relieve the assignor of its obligations under this Agreement. The assignor shall remain jointly and severally liable with the assignee for obligations incurred by the assignor and the assignee pursuant to this Agreement. A Party transferring all or substantially all of its assets shall assign its obligations hereunder as well, and also shall remain obligated hereunder. Otherwise, the Parties shall not have the right to assign their rights or obligations under this Agreement without the consent of the other Parties, which consent may be withheld for any reason or no reason.

21. Choice of Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware.

22. Notice. All notices or other communications hereunder shall be in writing and shall be deemed to have been duly given if personally delivered, sent by prepaid overnight express service with evidence of delivery, or mailed by registered or certified mail, return receipt requested, postage prepaid, addressed to the following:

Party may change its address for notice by providing written notice according to the above procedure. The date of receipt of any notice shall be deemed to be the next business day following the date the notice is sent, or the date actually received, whichever is earlier.

23. Relationship. Nothing in this Agreement shall be construed to render the Parties partners or joint venturers or to impose upon any of them any liability as such. In addition, the Parties hereby acknowledge and agree they do not intend to create a partnership or association for federal or state tax purposes. Furthermore, the Parties acknowledge and agree that any negotiations with an Incumbent that, in fact, create a partnership or agency relationship among the Parties is beyond the scope of this Agreement. Additionally, this Agreement is limited to a sharing of expenses and no Party has any right to share in revenues or profits derived from another including revenues and profits from any Party's telecommunication licenses. The Parties may jointly agree to elect out of Subchapter K of the Internal Revenue Code ("IRC") pursuant to IRC Section 761(a) and the Regulations thereunder. For this purpose, the Parties, without prejudice to their position, agree that this Agreement is limited to a sharing of expense and they reserve the right to take in kind or dispose of any property produced, used etc. within the meaning of Treasury Regulation Section 1.761-2(a)(3)(ii).

The terms of this Agreement have been fully and jointly negotiated by the Parties with the assistance of their legal counsel and other experts as they have deemed appropriate. This Agreement shall not be construed for or against any Party due to its role in the drafting of the Agreement.

24. Entire Agreement. This Agreement constitutes the entire understanding between and among the Parties and supersedes any prior negotiations, understandings, or agreements regarding the subject matter hereof.

25. Modification. This Agreement shall not be changed, waived, released or discharged except by a writing signed by an officer or authorized representative of the Party(ies) that are bound thereby.

26. Binding Effect. Subject to the specific restrictions on assignment contained herein, this Agreement shall be binding upon and inure to the benefit of the successors and legal assigns of the Parties.

27. Further Assurances. The Parties shall execute and deliver such further instruments and perform such further acts as may reasonably be required to carry out the intent and purposes of this Agreement.

28. Severability. In the event any provision of this Agreement is held to be unenforceable, such unenforceability shall not affect any other provision hereof, and this Agreement shall be construed to the greatest extent possible as if such unenforceable

provision had never been contained herein, provided that the economic benefit of this Agreement to the Parties is not materially diminished.

29. Reformation. If the FCC should establish Incumbent microwave relocation cost sharing rules such that the FCC's required cost sharing plan would adversely affect the enforceability of this Agreement or the material benefits of this Agreement to the Parties, then the Parties hereto shall promptly negotiate in good faith to reform and amend this Agreement so as to eliminate or amend to make unobjectionable any portion that is the subject of any such FCC action. No Party shall make any proposal to the FCC that supports FCC action removing the material benefits of this Agreement. The Parties agree that a Party may approach the FCC concerning cost sharing by C, D, E and F band PCS licensees to the extent that any party has relocated or may relocate an incumbent's Microwave Link or network to the ultimate benefit of such C, D, E or F band licensee. Further, a Party may continue to support the public positions it has taken before the FCC or any other government body relating to microwave relocation costs.

30. Headings. All article, section and paragraph titles or captions contained in this Agreement are for convenience only and shall not be deemed part of the text of this Agreement.

31. Pronouns. All pronouns and any variations thereof shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the context may require.

32. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original for all purposes, but all of which taken together shall constitute only one Agreement.

33. Confidentiality. The Parties will not provide to each other any non-public business plans, competitively sensitive information or other information that might in any way hinder competition between the Parties or with any competitor of any Party.

34. Additional Parties. Other parties shall be permitted to join in the agreed sharing of relocation costs pursuant to this Agreement and effective as of September 28, 1995, provided that they do so within 180 days from September 28, 1995. Nothing in this Agreement shall prevent any Party from negotiating, on its own behalf, for cost sharing with any other entity.

IN WITNESS WHEREOF, this Agreement has been duly executed as of the date hereinabove indicated.
